

City of Sarnia

MEDIA RELEASE

DATE: February 15, 2019 RELEASE DATE: Immediate

FROM: Mike Berkvens, Director of Engineering

SUBJECT: Icy Road and Sidewalk Conditions

Please be advised that as temperatures continue to drop, Public Works crews are in the process of salting all secondary roads. Motorists are asked to use caution and drive according to road conditions.

Sidewalks are icy and slippery, and the sidewalk plowing operations have been ongoing. We ask that property owners assist in clearing snow and ice from sidewalks as City operations are unable to treat all City sidewalks.

Thank you for your cooperation in this matter.
